

"The SU Internship was the best summer of my life, not just because of how much fun it was, but more specifically because of the way God worked in my life and the things He revealed to me."

-Laura

SU equips students for Christian Leadership

"It is such a blessing to be a part of the Internship. Doing devotions and training together was an incredible learning experience; personally working through what it means to be a Christian leader has already taught me so much about being accountable to God while serving His people with a servant heart, or to be being filled with the Spirit of God, or to be disciplined in nature to be in God's word."

- Ryan

SU
internship
Who is God calling you to BE?

LIT Leaders in Training

The LIT program offers youth the opportunity to learn and develop leadership skills in the context of children's ministry.

High school students will gain volunteer hours as they serve at SU camps (choice between serving for 1,2,3 or as many as 8 weeks of camp).

The training and camp experience will transform LIT's into quality volunteers for their church.

Training

July 6-7, 2012

Cost: \$150
covers food
and accomodations.

SU Internship

July 2 - August 24, 2012

Training and experience in Children's and Sport's Ministry

The SU Internship equips young leaders to be who God is calling them to be. Interns serve at SU camps leading sports and games, teaching devotions and sharing the gospel with thousands of children across Canada.

"This was another great, life-changing summer" - Jenna

The SU Internship challenges and equips young leaders to be more for Christ.

"I thoroughly valued all 1016 hours with my amazing team" - Laura

Interns are sent out in mission teams of four and they mentor, challenge, strengthen and encourage one another as leaders, and as Christians.

"It was an amazing feeling to be part of God's wonderful Kingdom work" - Joel

Interns teach sports skills and offer children the opportunity to join God's great team. God uses the interns to minister to churches and communities across Canada.

"Doing devotions and training together was an incredible learning experience"

- Ryan

The SU Internship is Christ-centred. Interns grow as leaders and in their faith. Training is led by SU staff, Lawson, Bob and Amy, who have more than 60 years combined experience in youth and sports ministry.

Training Includes:

Spiritual development of a leader, what is sports ministry, building moral character in children, teachable moments, leading a child to Christ, ages and stages, and much more.

Developing young leaders for Christ one step at a time.
